at

 **LOTUS HOSPITAL**

203 Bedded Super Speciality Hospital @ Erode

Completing **23** years of Service

Our Team

Dr E S Usha MD., DGO., Fellow in fetal medicine.

Has 33 years of experience in OBGYN & handling high risk cases. In 2001, started fetal medicine work with Dr Suresh (Mediscan) and established the First Fetal Medicine Centre in Erode district. Conducts regular hands on training in Ultrasound procedures. Organises frequent CMEs and workshops. National level faculty. Active participation in OG society & Rotary service activities. Heads the department and has a vision to provide comprehensive care with high standards and ethics.

Dr Shruthi Rajendran MS (OG)., FRM., DRM (Germany)

Has completed her fellowship from CIMAR, one of the most renowned institutions. She has in-depth knowledge as an embryologist also, one of the rare few. Her vision is to provide a holistic care for childless couples to deliver a healthy baby. Holds a Diploma from Indian College of Cosmetic Gynaecology, very first centre to establish Cosmetic Gynaecology in Erode.

Dr Dhivya Sharona MS (OG)

Has a rich experience in handling high risk obstetric cases and critical Gynaec surgeries including laparoscopy and hysteroscopy. Has completed training in Colposcopy. Interested in conducting camps and organising training programmes in Colposcopy.

Dr P Jayanthi DNB (OG)

Has 25 years of experience in OBGYN. A very good hand in treating high risk obstetric patients. Confident in managing Gynaec Cases including Emergencies.

Together we provide Comprehensive Care

Dr Shruthi Rajendran
